Arts In Common (AIC) was created in 2009 by the Westborough Cultural Council, both as a community festival and as a means to raise local funds to support the arts and culture in Westborough. This free event is a gathering place for artists, performers, and neighbors to come together for a day to connect and celebrate the arts.

### Selection Process

AIC is seeking musicians, dancers, thespians, spoken word/poets, stand-up comics, and more to join our festival in order to ensure variety. The material submitted must represent the work for intended performance(s).
